

## Transylvanian suite

Open the gate, gate... le  
Let's go with the bride... le  
Go, daina, daina and again daina  
We won't give the bride away  
Until we ask the groom  
Go, daina, daina  
How will he provide for her  
With fresh wheat bread  
And red wine

**Reciter:** Dear bride say „Goodby”

**Choir:** To the flowers in the garden  
Just go and daina

**Reciter:** To your dear mother

**Choir:** Why did you grow up and bloom so fast?  
Just go and daina

**Reciter:** To your brothers and sisters

**Choir:** To the flowers in the garden

**Reciter:** Bride cry after your hair

**Choir:** Or did the sun rush you

**Reciter:** Bride are you crying

**Choir:** Just go and daina

**Solo:** No, the sun did not rush me

**Choir:** The sun did not rush me  
Nor my mother forced me not

**Reciter:** Dear bride with wed  
Enjoy yourself

**Solo+ Choir:** Yes, it's my time to get married

**Reciter:** Because the groom was enjoyed  
He chose the one he wanted

**Choir:** Floricică di pă coastă/ Little flower on the hill  
Say no, no and yes, yes, yes  
Our bride is very beautiful  
Little flower  
Green leaf  
Nor the groom is less beautiful  
Up, up, up Godfather up  
My skirt has not petticoat  
I have it but didn't bring it with me  
Because my mother-in-law is still working on it
